Sales Tax: Please add the applicable sales taxes or provide a tax exemption certificate or other proof of tax-exempt status with your order. If proper exemption documentation is not provided, sales tax will be added to your invoice or credit card payment.

Product Licensing: If Rogue Wave products are specified above, this quotation represents an offer by Rogue Wave to license the referenced product(s) at the above-stated quantities and prices in accordance with the Rogue Wave Software License Agreement (the "SLA") applicable to the product(s), which can be viewed at http://www.roguewave.com/company/sla/. Acceptance of this offer is contingent on acceptance of the applicable SLA and payment of the fees specified herein.

Distribution Licensing: Rogue Wave's SLA for product(s) other than Stingray and HostAccess do not permit the licensee or any other party to distribute the products or applications containing such products for use or deployment outside of licensee's organization. If such requirements exist, a separate distribution addendum to the SLA must be signed by licensee and Rogue Wave.

Maintenance and Support: Any Maintenance and Support for Rogue Wave products quoted above shall be provided in accordance with Rogue Wave's standard maintenance and support and obsolescence policies, which can be viewed at:
http://www.roguewave.com/support/programs-and-policies.aspx.

Visualization for C++ Licensing: Any new license price for Rogue Wave's Visualization for C++ products quoted above is composed of perpetual license fees and 1st year maintenance and support fees. The 1st year maintenance and support fee is 25% of the perpetual license fee. The fees to renew maintenance and support after the initial term expires will also be 25% of the perpetual license fee.

Visualization for Java and Flex Licensing: Any new license price for Rogue Wave's Visualization for Java and Flex products quoted above is composed of license fees and 1st year maintenance and support fees. The 1st year maintenance and support fee is 25% of the license fee. The fees to renew maintenance and support after the initial term expires will also be 25% of the license fee.

TotalView Perpetual Licensing: The fee to renew maintenance and support for an additional year, after the initial term expires, will be 20% of the perpetual license fee.

Klocwork Perpetual Licensing: The fee to renew maintenance and support for an additional year, after the initial term expires, will be 20% of the perpetual license fee.

Open Source Support Services: If Open Source product(s) are specified above, this quotation represents an offer by Rogue Wave to support the referenced product(s) at the above-stated quantities and prices in accordance with the Open Source Support Customer Agreement, which can be viewed at http://www.roguewave.com/company/sla/ and Rogue Wave's OpenLogic's standard maintenance and support and obsolescence policies referenced therein.

Valid Order- Delivery: A valid purchase order must include a reference to this quotation. In case of an external distribution, two signed copies of the distribution agreement must be included. The software will be delivered by electronic software download although for some products physical media may be available at extra cost.

Payment Terms: Upon placing the order you will receive an invoice. If not explicitly agreed otherwise, the software must be paid 30days after receiving the invoice, and if necessary, a distribution agreement must be signed by licensee prior to the delivery of the software.

Validity: This quotation supersedes all prior quotations and all specified discounts are valid until the date stated above, if a valid purchase order or contract according to our terms and conditions is received by this date.

Purchase Order Submission: All purchase orders should be made out to Rogue Wave Software, Inc. and reference this quotation number. Purchase orders should include bill to address and ship to address and the appropriate billing contact. Submit your order via email directly to your Account Manager.
